CORPORATE CAPABILITY STATEMENT

Wholesale sourcing across construction hardware, tool accessories, safety, and jobsite supply categories.

A Focused Wholesale Distribution Partner

Sigma Traders USA is operated by Lawwamah Enterprises LLC, a Texas limited liability company. We organize quote-based wholesale sourcing across seven focused product categories for contractors, retailers, qualified ecommerce resellers, and facilities, maintenance, and commercial buyers.

Operating brand	Sigma Traders USA
Legal entity	Lawwamah Enterprises LLC
Entity type	Texas limited liability company
U.S. business office	5900 Balcones Drive, Suite 27772, Austin, Texas 78731

Our sourcing model is built around qualified U.S. suppliers and documented distribution channels. Availability, pack requirements, pricing, lead times, brand eligibility, and permitted sales channels are confirmed for each request.

Seven Focused Product Categories

1	Fasteners & Anchors	Connection and anchoring products for structural, installation, maintenance, and repair applications.
2	Power Tool Accessories	Accessories and consumables for drilling, driving, cutting, sanding, and abrasive applications.
3	Hand Tools	Professional tools for installation, repair, measurement, cutting, fastening, and maintenance.
4	Construction Hardware	Connectors, brackets, hinges, mounting hardware, and installation components.
5	Adhesives, Sealants & Tapes	Bonding, sealing, mounting, repair, masking, and surface-protection products.
6	Safety & PPE	Selected personal protective equipment and jobsite-safety essentials, subject to application and standards review.
7	Jobsite Organization & Storage	Storage, carrying, parts organization, and workshop systems for tools and supplies.

Built Around Four Business-Buyer Groups

Construction Contractors & Skilled Trades

Coordinated review across multiple jobsite categories where practical.

Independent Hardware Retailers & Specialty Dealers

Product groups, case packs, documentation, assortment requirements, and replenishment possibilities.

Facilities, Maintenance & Commercial Buyers

Recurring product lists, approved substitutes, multiple locations, and maintenance requirements after supply routes are confirmed.

Qualified Ecommerce & Marketplace Resellers

Product identifiers, invoices, packaging, intended sales channels, and manufacturer or supplier restrictions before eligible items are quoted.

Source • Stock • Supply

1

SOURCE

Identify suitable products and evaluate available U.S. supply routes, documentation, purchasing requirements, and channel restrictions.

2

STOCK

Verify supplier inventory, pack quantities, quotation validity, and expected lead times before an order is approved.

3

SUPPLY

Coordinate shipping or delivery according to the destination and agreed fulfillment method after availability and commercial terms are confirmed.

Clear Commercial Review Before Commitment

- Submit the product, specifications, quantity, destination, timeframe, and intended sales channel where relevant.
- Review supplier availability, documentation, pack requirements, pricing, freight, and lead time.
- Confirm the approved products and commercial terms in writing before fulfillment is coordinated.

Available Order Formats

Depending on the product and supplier, order formats may include individual units, inner packs, boxes, sets, cases, assortments, or pallets.

Business Credentials

Business documentation may be shared with verified suppliers and business partners through a controlled credentials-request process. Documents are not released automatically or posted as unrestricted public downloads.
